COMPANY PROFILE

CORPORATE SALES

## ABOUT US

San Marco Retail is a distinguished retail chain operating and covers services in the UAE . The company established & owned by Mr. Younis Hassan Al Mulla in 1989, and the core of business consists wholesale and retail dealership of import and export of the products.

The company is a proud member of Sheikh Mohammed Bin Rashid Establishment for SME Development, Dubai . We are always intended to improve further our service and the selection of products to provide better service to our growing consumers.

San Marco Retail pride itself in providing the best local and international perfumes, watches, House hold and tailored gift items .

San Marco retail have always symbolized high quality and elegance, without losing traditional value.

Even though we have reached an enormous milestone, still each and every piece is treated as a work of art. We take care of all the details and make sure that our customers feel the uniqueness of our products.

## SAN MARCO RETAIL

San Marco Retail is known for its excellence in quality products, which we choose from our trusted local and international brands. As the demand grows, we strengthen our hold by further improving our line of products, customer service and moreover, expanding our reach by founding branches in the key places all over the UAE and we are mapping to reach and cover the GCC market as well.
